Large Space Saver Vending Machine

*Space saving 90 degree door opening
Snacks, Confectionary and Drinks*

The Sorrento series of vending machines offers a versatile solution for vending applications.

This Sorrento 5000 vending machine has a 90 degree opening door for easy restocking. This allows for a row of vending machines to be placed side by side. Advertising and product information can be displayed on the 7 inch LCD screen. This vending machine is ideal for high foot traffic locations.

Features

- ❖ Full size viewing window for a great display of all vending products.
- ❖ Improved merchandising with 3 separate brilliant LED lighting strips.
- ❖ Double glazed heated glass to avoid any condensation build up.
- ❖ Full Digital Exchange (Dex) capability for Eftpos, and telemetry compatibility.
- ❖ VendAssure™ – guaranteed delivery system using sensors to hold the credit until the product is delivered.
- ❖ Choose from single and dual zone refrigerated cabinets set to as low as 2 degrees, and non-refrigerated cabinets.
- ❖ Energy efficient for reduced power consumption.
- ❖ Menu style programmable options for easy access to the major features.
- ❖ 7 inch LCD video screen that can be loaded by USB for advertising and product information.
- ❖ Door opens 90 degrees for restocking, allowing a row of vending machines side by side.
- ❖ Up to six shelves can be customised for the products of your choice.
- ❖ Able to vend drinks, packaged food, snacks, electronics, sport supplements and a whole lot more.
