

PPE-SERIES Non-Refrigerated Safety Station & Personal Protective Equipment Vending Machine Rev 001

FEATURES

- System administration, inventory management and reporting accessed through customer's own web-based user interface/portal using unique customer login.
- "On-line" real time stock level reports generated by on-line web-based system.
- Issues email/SMS status warnings for events such as 'machine offline/empty', 'no transactions in period', etc.
- **PCS-12G(H5) fits through 760mm standard door sideways**
- Reports viewable on-screen or exported from the system in PDF or CSV file format.

STANDARD REPORTS

- **PRODUCT LIST:** Categorised list of products up-loaded on system. Product numbers correspond with customer's current inventory control system.
- **USER CARD HOLDER REPORT:** User limited to a pre-set daily and/or total spend. FOBs assigned to different user types e.g., staff, contractors, or visitors. User reports by FOB type and/or by FOB assignment e.g., cost codes.
- **COST ALLOCATION REPORT:** Tracks job number (for customers wanting to share expense with their end-user).
- **DAILY PRODUCT SALES REPORT:** Shows daily vends by product for all products in machine.
- **USAGE/SALES REPORT:** Summarises items issued by product and dollars from a machine for specified period.
- **VEND HISTORY REPORT:** Shows transactions in defined period. Includes details on machine, card holder, product description, units taken, the transaction amount and date and time of transaction. Reports totals for units and dollar value issues. Reports exported in CSV-format and manipulated in excel pivot tables etc. to total sales by FOB/CARD/STICKER holder etc. Reports auto emailed to customer representatives on pre-determined frequency.
- **DAILY SALES REPORT:** Shows total units dispensed and its dollar value by days for a specified period.
- **RE-STOCK REPORT:** Shows number of products required to re-fill the machine at time report is created.
- **WEEKLY INVOICE FOR USAGE BY USER/EMPLOYEE:** Shows total weekly spent on each FOB/CARD/STICKER. Reports balance of total "credit" on all USERS both individually and combined.
